

Supporting Children in Ethiopia

The Kindu Trust Payment Options – Outside of UK

It currently costs £16 (\$25, €20) per month to sponsor a child in Ethiopia, which works out as £192 (\$300, €240) per year. Please let us know if you would like us to send you an annual payment reminder and/or a payment certificate for tax purposes.

We have a number of different payment options available for our supporters living outside of the UK to set up a regular payment for child sponsorship:

Credit/Debit Card

We can accept credit/debit card payments on our website at www.kindustrust.org/sponsor - the regular donation button is located in the bottom right hand corner (these payments are organised through PayPal, although you do not need to have a PayPal account in order to set this up). We can also take regular payments through the JustGiving website at www.justgiving.com/kindustrust

Bank Transfer

You can also transfer funds directly into our bank account. Please **include a reference** of your name and/or your child's name, so we can ensure the payment reaches the intended destination.
